PRESIDENT'S MESSAGE

Congratulations on completing your studies and graduating from Niagara College. You have achieved one of the most important goals of your life.

Graduation is a time to reflect on and celebrate your achievement, but also to set your sights on a new set of goals. Your college credential has now opened the door to a world of new opportunities for learning and growth. As you develop secure and satisfying careers or pursue further studies, I encourage you to keep your commitment to learning alive. It's the key to success and prosperity.

As you enjoy your hard-earned successes, please remember those who helped you along the way: the professors; support staff; advisory committee members; board members; and College administrators who made it their purpose to help you succeed.

Graduation makes you a life-long member of the Niagara College community and I encourage you to take up the challenge of contributing to your College's continuing success and achievement. The Niagara College Foundation will keep in touch with you and let us know what is happening in your life.

On behalf of the faculty and staff, thank you for choosing Niagara College. You made a wise investment in your future by studying here and we celebrate your achievement with you.

To each of you I extend my sincere wishes for a happy, healthy and successful future.

STUDENTS WORKING FOR STUDENTS

The Student Administrative Council (SAC), with offices located at the Welland and Glendale campuses is the governing and legislative body for all students in diploma and certificate full-time day programs. Its members are elected annually as representatives of the student body. The Council sets and administers the student membership fees. SAC is also responsible for extracurricular, social and academic functions, e.g., peer tutoring, peer advising, grad books and provisions of the yearly Student Handbook. SAC is the liaison between the students and the administration. After Hours in Welland and Alexander Davidson's at Glendale are student-funded areas and are central meeting places for social and recreational purposes. They each contain a lounge, games area, food service, lost and found, transportation passes, housing information and office space for the Student Administrative Council.

And the finalist are.....

Twas the night before Christmas, when all through the house not a creature was stirring, not even a mouse, the stockings were hung by the chimney with care, in hopes that St. Nicholas soon would be there. The children were nestled all snug in their bed, while visions of sugarplums danced in their heads, and mama in her kerchief, and I in my cap, had just settled our brains for a long winter's nap...When out on the lawn there arose such a clatter, I sprang from the bed to see what was the matter. Away to the window I flew like a flash, tore open the shutters and threw up the sash. The moon on the breast of the new-fallen snow gave the lustre of mid-day to objects below when, what to my wondering eyes should appear, but a miniature sleigh, and eight tiny reindeer, with a little old driver, so lively and quick, I knew in a moment it must be St. Nick...

*Some People
Make a Difference*

*Some people make a difference
just by being who they are,
Their inner light shines bright
and touches lives
both near and far,
And even when they're gone,
they still forever play a part
In the smiles,
the priceless moments,
that are treasured in the heart.*

ROTHSAY is committed to providing premium environmental services to conserve resources and reduce waste. As such, we perform a very important environmental role in the community, the importance of which cannot be overstated. By collecting recyclable material from butcher shops, restaurants, supermarkets, packing houses, etc., we recycle 15,000,000 pounds per week of meat scraps and cooking oils in Ontario alone - to put that in perspective, it amounts to 17,500 tractor trailer loads per year.

Today's **HOSPITALITY INDUSTRY** recognizes the importance of this essential environmental service, thank-you.
